1. PROCESS FLOW

This document describes the STSM process, from the moment an applicant submits an application for approval by the STSM coordinator to the payment and recording of the amount paid by the Grant Holder (GH) to the STSM grantee.

It is necessary to separate the process in 2 parts: one describes the step to be performed before the mission starts and another the steps to be performed after the mission ends.

Regular STSM¹ – process flow

STSM with a pre-payment request – process flow

¹ A regular STSM is an STSM that lasts between 5 and 90 days and the Grant amount is up to 2500 EUR paid in one instalment after the approval of the scientific report.

2. KEY PLAYERS

- Administrative Officer (AO)
- STSM applicant
- STSM coordinator
- Grant Holder (GH)

Administrative Officer (AO)

The administrative Officer (AO) assigns the role of STSM coordinator of the Action (ideally at MC1) to either one of the MC members/substitutes or to a WG member who was elected by the MC. If no person is elected as STSM coordinator, the MC Chair will fulfill this role.

STSM applicant

The STSM applicant can be, in a large sense, any person with an e-COST profile. An STSM applicant must specifically contribute to the research coordination and capacity building objectives of the COST Action for which they are submitting a STSM application.

The STSM applicant must be engaged in an official research programme as a PhD Student or postdoctoral fellow or can be employed by, or affiliated to, an institution, organisation or legal entity which has within its remit a clear association with performing research.

Specific provisions have been made to encourage the application submission by researchers from ITC countries.² STSM applicants with an affiliation in an institution in an ITC country can request a pre-payment of 50% of grant. This is payable under 2 conditions: that the GH has sufficient funds to cover 50% of the grant in advance and that the host confirms to the GH that the mission has started.

STSM coordinator

The STSM coordinator is the person elected by the MC, ideally during MC 1, to coordinate the STSM awarding process. The STSM coordinator can perform the evaluation of applications alone or by heading an STSM panel.

The STSM coordinator's tasks include: evaluate applications, approve or reject these applications in e-cost, evaluate the scientific report after the mission, post-approve or reject the report.

Grant Holder

The GH monitors the incoming approved applications, sends the successful applicants their Grant Notification, makes the timely pre-payment of 50% of the grant (when applicable), and ensures that all grants are paid within the deadline of 30 days.

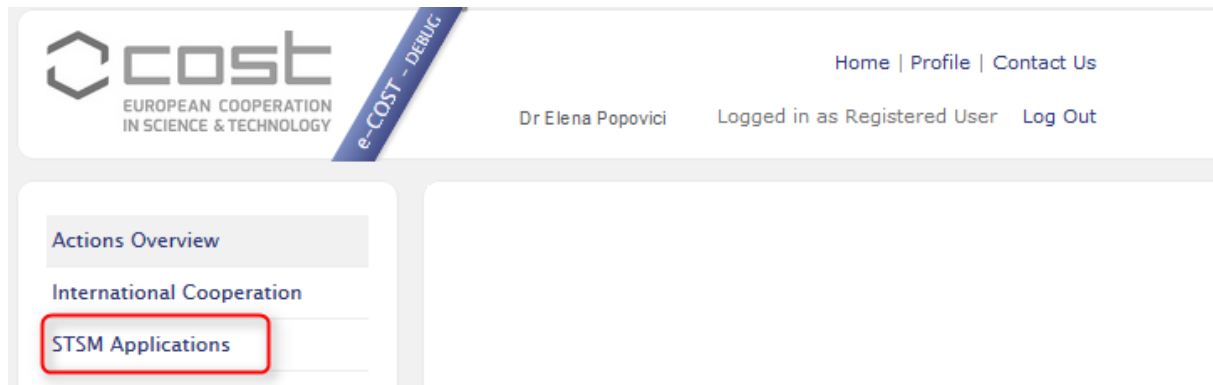

3. PROCESS OVERVIEW

3.1 Applicant creates an STSM request

The applicant encodes an STSM application by logging into e-COST and clicking on the STSM application tab.

If the applicant's e-COST profile is incomplete, they will first have to fill in the missing information (affiliation, education details, CV).

² The following countries are considered ITC: Bosnia-Herzegovina, Bulgaria, Cyprus, Czech Republic, Estonia, Croatia, Hungary, Lithuania, Latvia, Luxembourg, Malta, Montenegro, Poland, Portugal, Romania, Slovenia, Slovakia, the former Yugoslav Republic of Macedonia, Republic of Serbia and Turkey.

The screenshot shows the top navigation bar of the e-COST system. On the left is the 'cost' logo with the tagline 'EUROPEAN COOPERATION IN SCIENCE & TECHNOLOGY'. To its right is a blue diagonal banner that says 'e-COST - DEBUG'. Further right are links for 'Home | Profile | Contact Us'. Below these links, the user's name 'Dr Elena Popovici' and login status 'Logged in as Registered User' are displayed, along with a 'Log Out' button.

Any already submitted applications are available for consultation in the applicant's e-COST profile. To submit a new application, the applicant presses the button 'Create a new STSM Request'.

This screenshot shows the 'Actions / STSM Applications' page. On the left is a sidebar with a menu containing 'Actions Overview', 'International Cooperation', and 'STSM Applications' (which is highlighted). The main content area has a heading 'Actions / STSM Applications' and a sub-heading 'Below you can find an overview of all your personal STSM applications.' Below this is a table with the following data:

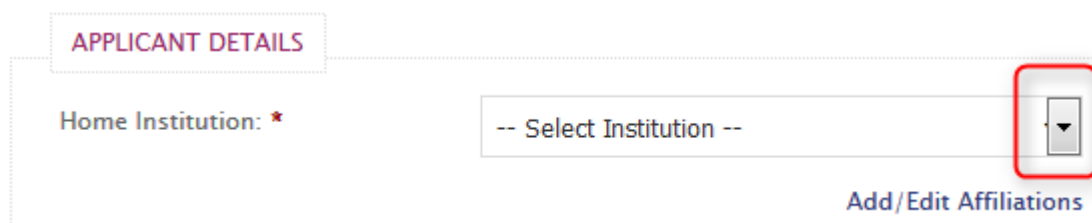

#	Action	Title	Submission Date	Start Date	End Date	Status	Options
37289	CA15204	Final testing	2017-04-21	2017-04-26	2017-04-20	Pending upload SC documents	 

Below the table is a button labeled 'Create a new STSM Request'.

The application page contains the following sections:

- Applicant details
- STSM details (the application must start and end during the same Grant Period (GP). If a GP is not active, the applicant will not be able to submit an application.
- Bank details
- Host details (must be located in a different country than the country of the applicant)
- Financial support
- Supporting documents (2nd page of the application also reachable by clicking on button in the upper left corner)

If the STSM coordinator wishes to approve the application, the STSM coordinator must confirm that the Workplan is in line with the Action's objectives, decide the level of the Grant that can be awarded, and confirm that the supporting documents are valid.

The amount of the awarded Grant can never be higher than what the applicant requested.

If the application is rejected, the STSM coordinator must provide a justification to guide the applicant in her/his resubmission.

The screenshot displays the 'GRANT PAYMENT' section of the STSM application interface. On the left, a sidebar contains the 'cost' logo and navigation links: 'Application Form', 'Supporting Documents', and '< STSM Applications'. The main form area is titled 'GRANT PAYMENT' and contains the following elements:

When the STSM applicant from an ITC requests and is granted a pre-payment of 50% of the grant, the STSM host receives an notification requesting her/him to confirm to the GH that the STSM started on schedule. Without the host confirmation, the pre-payment will not be done.

The actual transfer of 50% of the grant can take several days after the receipt of the STSM host email confirmation.

Dear STSM Host,

Dr Elena Popovici has requested a pre-payment of 50% of the Grant related to the following STSM application:

COST Action: CA15130
 STSM reference number: 456723
 Home institution: University of Iasi, Romania
 Host institution: Vienna University, AT
 STSM start and end date: 2017-04-20 - 2017-04-24

3.4 STSM grantee uploads the scientific report and host approval of the report

1 day and 15 days after the end of the STSM, the grantee receives a reminder to upload the scientific report and the host approval of the report. The deadline to submit the last supporting documents is 30 days from the end of the STSM.

The submission of the supporting documents is mandatory or the Grant is cancelled. Late submission, beyond the deadline, can also lead to the cancellation of the Grant and, in cases when a pre-payment was done, the obligatory reimbursement by the grantee of the amount received.

A scientific report template is available on the Supporting documents page or on-line here: http://www.cost.eu/STSM_report_template

The STSM grantee must complete this template and save it in pdf before uploading it in e-COST.

The host approval of the report can be an email.

Dear STSM applicant,

This is a reminder that you are required to submit for approval your scientific report within 30 days from the end date of your STSM. You are kindly requested to complete the following steps:

- Ensure that your scientific report is approved by a senior scientist in the host institute.
- Click on the link below before 2017-05-20 and upload your approved scientific report and the host approval. <http://branch.qa.cost.local/stsm/apply/37289>
- Add the bank details on which you wish to receive the Grant to your e-cost profile, if you have not done so already.

Failure to submit your scientific report on time may result in the cancellation of the STSM grant.

The payment of your Grant is carried out by the Grant Holder following the receipt of the STSM coordinator approval of your scientific report.

Kind regards,

e-COST

3.6 The GH makes the payment of the Grant or, if applicable, of the 2nd instalment of the Grant

The GH can download an excel list of STSM grants that are ready to be paid. This list contains the necessary information for the GH financial and accounting department to process the Grant transfer.

Once the GH financial and accounting department processed the Grant transfer, the GH can record the the payment and complete the STSM process.

In the cases when 50% of the Grant was pre-paid, the GH must complete the amount for the 2nd instalment before recording.

By recording the payment, the status changes to Paid.

The process is complete.
